| 8:30  | **Changing Culture from the Ground-Up: Integrating Residents into Institutional Improvement Efforts** | **Donald W. Brady, MD**  
Senior Associate Dean for Graduate Medical Education and Continuing Professional Development/DIO  
Vanderbilt School of Medicine |
|       | At the conclusion of this session, the learner should be able to:     |                                                                                 |
|       | • Identify ways to align resident interest in quality improvement with institutional goals |
|       | • Design methods to incorporate organizational culture change principles into resident learning activities |
|       | • Understand the benefit of engaging conversations between the c-suite and residents for the benefit of both |
| 9:45  | **Building and Utilizing the 10-year Dashboard: Institutional Oversight of Program Improvement** | **Catherine M. Eckart, MBA**  
Executive Director for Graduate Medical Education/Associate DIO  
Stony Brook Medicine |
|       | At the conclusion of this session, the learner should be able to:     |                                                                                 |
|       | • Identify for our programs the areas in need of attention from several data sources by creating an illustrative institutional compliance dashboard |
|       | • Understand the integration of these data into program and institutional oversight in the new Accreditation System, the self-study site visits, the CLER visits and assessment of the specialty-specific milestones |
|       | • Appreciate the need to build the Annual Institutional Review (AIR) from the information gathered, assessed and discussed in the Dashboard |
|       | • Evaluate the capacity and limitations of institutional dashboards when providing program oversight and accountability |
| 10:45 | Break                                                                |                                                                                 |
| 11:00 | **Physician Wellbeing: Resilience to Burnout**                       | **Mary Yarbrough, MD, MPH, FACOEM**  
Executive Director, Faculty/Staff Health and Wellness Programs  
Vanderbilt School of Medicine  
Jim Kendall, LCSW, CEAP  
Manager of Work/Life Connections  
Vanderbilt Health & Wellness |
|       | At the conclusion of this session, the learner should be able to:     |                                                                                 |
|       | • Define ways of recognizing stress, depression and burnout in trainees |
|       | • Create interventions to promote well-being and building resilience  |
|       | • Identify resources in your organization to address the continuum of physician well-being |
| 12:00 | **Networking Lunch - One copy of AHME’s Guide to Medical Education in the Teaching Hospital and one copy of Remediation of the Struggling Medical Learner will be given away!** |

**Notes:**
- AHME ACADEMY
- Monday, March 7, 2016
- Tennessee Hospital Association
- Virginia Way Conference Center
- 5201 Virginia Way ~ Brentwood, TN 37027
We Owe It to Our Learners:
Providing Meaningful Feedback to Residents
Frederick M. Schiavone, MD, FACEP
Vice Dean for Graduate Medical Education/DIO
Stony Brook Medicine

At the conclusion of this session, the learner should be able to:
• Describe the essential elements of giving effective and meaningful feedback, including the impact of the learning environment
• Evaluate usefulness of current assessment methods and tools in use in your program and/or institution
• Identify opportunities for high quality feedback to be given – ongoing, formative, constructive, summative – to learners in a “just in time” mode
• Construct a practical model for effectively giving and receiving feedback in multiple patient care settings that results in performance improvement and learner satisfaction

1:45 Break

Effective Communication: The Program Director and Coordinator Perspectives
John ‘Jay’ Wellons, MD, MSPH
Neurosurgery Residency Program Director
Vanderbilt University Medical Center
Pam Lane
Neurosurgery Residency Program Coordinator
Vanderbilt University Medical Center

At the conclusion of this session, the learner should be able to:
• Describe four common communication styles
• Understand your personal communication style and that of your audience
• Identify ways to engage in active listening
• Create a list of roles and responsibilities within the program
• Develop a timeline or flowchart to assist in accomplishing specific tasks

3:00 Orientation Redesign
Catherine M. Eckart, MBA
Executive Director for Graduate Medical Education/Associate DIO
Stony Brook Medicine
Frederick M. Schiavone, MD, FACEP
Vice Dean for Graduate Medical Education/DIO
Stony Brook Medicine

• Identify how CLER focus areas can be incorporated into residency training, beginning with New Resident Orientation
• Design an outcomes-based evaluation of resident behavior related to some or all of the “CLER Pathways to Excellence”
• Begin to change culture as new residents start training with experientially-derived behaviors

4:00 Wrap-Up and Evaluation
