

# AHME/SEMCME ACADEMY

FRIDAY, SEPTEMBER 27, 2013  
THE DEARBORN INN  
20301 Oakwood Boulevard  
DEARBORN, MI

7:45 **Registration & Continental Breakfast**

8:15 **Welcome & Introductions**

8:30 **NAS Alphabet Soup: Putting the Requirements Together**

**Kimberly Baker-Genaw, MD,**  
DIO & Vice Chair, Department of Internal Medicine  
Henry Ford Hospital  
Detroit, MI

By the end of this session, the learner will be able to:

- Describe updated ACGME requirements related to the NAS, including APE, PEC, CCC, APR, SPR, milestone reporting
- Develop strategies to work within your program and institution to identify opportunities for improvement and innovation

9:45 **The Clinical Learning Environment: With or Without the Review**

**Carrie Eckart, MBA**  
Assistant Vice President, GME  
UPMC Medical Education  
Pittsburgh, PA

By the end of this session, the learner will be able to:

- Understand why the ACGME is focusing on the Clinical Learning Environment by conducting CLER site visits
- Discuss early CLER visit results, including engagement of residents, faculty, program directors, C-Suite and others in six major focus areas
- Strategize how each hospital in your system can improve in the six major focus areas of CLER
- Develop effective data collection tools to use in these improvement efforts

10:45 **Break**

11:00 **Strategies for a Successful Recruitment Season**

**Wilhelmine Wiese-Rometsch, MD, FACP**  
Associate DIO/Assistant VP for Academic Affairs  
Detroit Medical Center  
Detroit, MI

By the end of this session, the learner will be able to:

- Review the nuts & bolts of resident recruitment
- Discuss common pitfalls in resident selection
- Identify best practices amongst participants regarding selection process

12:00 **Networking Lunch - One copy of AHME's *Guide to Medical Education in the Teaching Hospital* and one copy of *Remediation of the Struggling Medical Learner* will be given away!**

12:45 **YouTube, Clouds, and GME:  
Professional Responsibility and the Internet**

**Donald W. Brady, MD**  
Associate Dean for GME; ACGME DIO; and  
Professor of General Internal Medicine and Public Health  
Vanderbilt School of Medicine  
Nashville, TN

By the end of this session, participants will be able to:

- Have a greater understanding of programmatic and institutional responsibility for resident use of IT
- Articulate some of the ethical issues that arise when the lines blur between personal use of IT resources and professional responsibility
- Have a framework for teaching house staff about professionalism in the age of emerging technology resources & applications

1:45 **Practice-Based Learning for Coordinators**

**Carrie Eckart, MBA**

By the end of this session participants will be able to:

- Define Practice-Based Learning as it relates to the role of the Training Program Coordinator, including developing skills and habits that allow continuous improvement based on constant self-evaluation and life-long learning
- Describe Plan-Do-Study-Act cycle and its applicability to the Training Program Coordinator
- Identify possible barriers to progressive success related to job responsibilities and establish strategies to address and overcome them

2:45 **Break**

3:00 **GME Jeopardy**

**Toni Haddad, C-TAGME**  
Residency Coordinator, Ophthalmology  
Henry Ford Hospital; Detroit, MI

**Jennifer Heymes-Donnay**  
Residency Coordinator, OB/GYN  
Henry Ford Hospital; Detroit, MI

**Susan Palmer, C-TAGME**  
Residency Coordinator, General Surgery  
Providence Hospital; Southfield, MI

By the end of this session, participants will be able to:

- Enhanced knowledge of ACGME terminology and resources
- Understand multiple aspects of residency program management
