

In partnership, AHME and AAMC bring you...

Teaching for Quality (Te4Q), Version 2.0 September 22 – October 27, 2021

One hour each Wednesday ~ 12:00 ET/11:00 CT/10:00 MT/9:00 PT

A rigorous longitudinal professional development program focused on how to teach quality improvement and patient safety (QIPS) competencies for faculty.

Includes 6 virtual synchronous sessions + capstone event.

REGISTRATION OPEN UNTIL NOON ON 9/1/21*

[Click here to see the complete schedule with objectives and faculty for each session!](#)

* If capacity is reached before the deadline, registration will be closed.

Course Features

- An enhanced competency and project-based certificate program
- An interactive & engaging virtual format with didactics, exercises and small group discussions in each session
- Apply new skills via an experiential project
- For clinicians and others who teach quality and patient safety

Learning Objectives

Upon completion of the course, participants should be able to:

- Define adult learning principles as applied to interprofessional clinical education;
- Design educational activities based on learner and institutional needs assessments;
- Develop effective learner assessments and program evaluation to measure program outcomes; and,
- Implement transformational change necessary for new curricular activity.

Faculty

Nationally recognized, expert clinician-educators versed in adult learning practices, teaching techniques, learner assessment and program evaluation

CME Accreditation

The Association for Hospital Medical Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Association for Hospital Medical Education designates this live activity for a maximum of 6.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Earn an additional 20 PI-CME credits and certificate if you complete a QIPS capstone project.
